The Association was opened about 11:30 a. m. with Rev. G. W. Alston, Vice President in the chair.

The devotional exercises were conducted by Rev. H. R. Williams and G. A. Gilkris. Hymn No. 800 from the Baptist Hymn book was sung. After which Rev. H. R. Gilkris read the 4th Chapter of Gallations then Rev. H. H. Alston asked the Association to bow with him in prayer. Hymn No. 262 was sung. "A light to shine upon the road and etc."

Now the Association being duly opened the Vice President came forward and announced that according to the reading of Program the next thing in order was the Expressions and Greetings from the different members of the Association.

Rev. Bro. G. B. Fitts from Macon, N. C., was the first to come forward. With words of good cheer for the Association. Among some of the things he said were "The Master has been so good to us to allow us to meet again to try to foster his Cause." Rev. L. J. Alexander spoke on how good and pleasant it is for Brethern to dwell together in Unity, and how he and Rev. N. V. Davis have labored together for the success of this great work.

Rev. N. V. Davis, Emeritus President, now came next with his eyes sparkling with delight and his mind full of sympathy and good wishes for the members of the Association.

And he did give some very good and timely suggestions for the success of the great work before us. He also outlined some of the past history of the Association and how our older Brethern had worked to keep the Association alive.

Then Deacon L. A. Alston, from New Bethel, Deacon R. E. Warwick from 2nd. Macon, brought greetings to the Association. Rev. H. H. Alston said we need to be more Christ like, that is if we want to carry this work to success.

Rev. W. N. Hawkins told the Association of the great need among us as Baptists. We certainly need a more intelligent ministry to lead in our Church Work.

The Vice President said this part of the Program must close. Then the Constitution and By Laws were read. This seemed to have given rise to the question as to whether we have a Reedy Creek Institute or not. After some discussion it was agreed that

we still have our Institute in name but not in Actuality.

According to the Program the Introductory Sermon was to be preached by Rev. M. N. Zollicoffer, Alternated by Rev. J. J. Brame, But as neither of the brethern were present the Sermon was deferred. The Association closed for recess with prayer offered by Rev. J. H. Chavis.

Rev. L. J. Alexander took very great pleasure in rendering a splendid response in his own way, he did greatly thank Rev. President's Annual Address

Dear Brethern, Ministers, Messengers, Visitors and Friends of this 53rd Annual Session of this Reedy Creek Missionary Baptist Association.

God has brought us out again face to face with each other. Since we last met many changes have been made. Some to our sorrow and some to our joy, but I believe that passage of scripture that says "All things worketh together for good to them that love God."

Some among our sorrows, have been the passing of our members to the Great beyond. Among whom are the following: Rev. N. T. Thorn and Rev. S. B. Clanton.

Some of our joys are manifested in the fact that we are in the land of the living where we can praise our God to the dictate of our minds. I thank God for the existing fellowship in our Association and brotherly love. I give this always a warm welcome, and pray to continue. We thank God for the pioneers of this Grand old Association who have borne the burdens in the heat of the day. Yet the hand of God has been seen through all of it, and we are trusting and praying that same hand will guide us to our rightful destination.

We would not go farther without mentioning Rev. N. V. Davis who stood at the helm so bravely and untireingly until his health failed him, and then handed down to your humble servant the task to carry on for God with the assurance that he has the fullest cooperation for the future development. Still with his help,

guidance and councilship. There are others who are saying the same. Brethern I do not come to you with any flowery speech nor any lengthy message, but I come to you with a plea that we carry out a few suggestions that will come to us to help us in kingdom building for God and his Christ.

If we are the Ministers of God representing Him. Then we are the light of the world, (says Jesus) God has no other way to light up this dark world but through us. For he said "Go ye Teach All Nations and I am with you to the end, for I am the way, the door, the truth, and the life. Jesus says also "Let your light so shine that men may see your good works and that they may glorify our Father which art in heaven.

Bro. Ministers and Messengers where are our lights? If the world is dark we are the blame. In order to have a good light it is necessary to trim the lamps; also be sure to keep oil in them. The average church does not look after the Ministers of God as they should; along many lines they pay all other bills and then if any be left they wil say to the Pastor here take this. This is all we have. Each Minister at some time during the year should have a class giving general information as to the duty of Deaconship, and especially those whom the church desire to use as deacons. I recommend that the Constitution of this Association should be amended: By pulling in the following articles, viz:

Article one. To give each church the opportunity to send up all money designating the object to which it is to go by the following named Articles.

Article 2, sec. one: To help to Educate worthy aspirants to the Gospel Ministry by depositing some money into the College or Seminary for the aspirant according to the judgement of the Board.

Article 3, Sec. 2: To urge each church in the Association to send up Finance to help support Shaw University, our only Negro Baptist College and Seminary in the State.

Article 4, Sec 3: To help Superanuated Ministers of the Association.

Article 5, Sec. 4: To help advance the Cause of Mission, both home and foreign.

Article 6, Sec. 5: That the Pastors of our Churches set aside at least once a year, a week or as many days as possible in which to train deacons, aspirants, and the young people to the all important duties of the Church.

Yours for the success of this grand old Association.

J. H. Clanton, President.

Report of Committee on Temperance

To the Reedy Creek Association, Dear Brethern, We your Committee on Temperance, Beg leave to make the following report:

We are fully conscious of the great evil of intemperance such as we are facing at this present time throughout the world. The fight against strong drink by the Christian Church must still be our fight, thus we the members of this body go on record again wedging our fight against the evil of strong drink in every form, and we shall do so till the last battle is fought and victory is won on the side of temperance. We note also the intemperance of dress or no dress till it seems among the Women of our Churches they have lost their tase for decency and respect for themselves and for those with whom they come in contact. This we deplore and put ourselves on record as recommending a more modest style of dress both in longer sleeves and dresses. We also recommend better decorum in and around our Churches during services.

Report of Committee on Sunday Schools

We your Committee on Sunday Schools submit the following:

Since it is well known fact that the Sunday School is the Church at work and since the life and success of the church depends largely upon the service of the Sunday School renders.

Therefore we see there is a demand for an intelligent and Christian Leadership and since the future Church and all of its Organizations are so completely relying upon the efficient training of the boys and girls. We recommend that we the Members of the Association make it our duty to be present at Sunday School each and every Sunday when possible; and teach the word of God to all alike. Furthermore we appeal to our young people and urge that they become more interested in the Sunday School and all Christian work and keep themselves unspotted from the world.

Report of Committee on Condolence

We your Committee on Condolence beg leave to submit the following: Death is inevitable and yet we often fear and tremble when it comes in our homes and Communities. Our hearts are made to feel sad, and tears of sorrow flow from our eyes. Since God in his allwise Providence has seen fit to take from us, Rev. N. T. Thorn, a beloved Christian and a most worthy Gospel Minister, we feel it our indispensable duty to speak a few words on his life. We feel that his life in this world to our knowledge was among those of the highest type and worthy of imitation. He was a Christian, a most worthy, earnest, and profound Gospel Minister. Standing upon a sure and safe foundation, Preaching the Gospel of Jesus Christ with much power and interest to those who heard him. We miss him in our Churches and Associations, but we hope to meet you in the Great Beyond, when God shall wipe away all tears from our eyes, and where the wicked shall cease from troubling, and the weary are at rest.
